## TECHNICAL DATA INDEX

***Subject: Technical Data revision status***

Attached are the latest Manual Indexes for Mid-Continent Instrument Co., Inc. manufactured units including the Electric Gyro Corp. and General Design products. If you have a manual that needs to be updated, please provide the manual part number and the last revision you have. As an added convenience visit us on the Internet at [www.mcico.com](http://www.mcico.com) for a current version of this Manual Index.

Drawing Packages for some items are available on an as requested basis. Each drawing package will consist of the unit Outline Drawing, Assembly Drawings, Parts list, and Test Specifications ONLY.

Some technical manuals have Supplements, which are included with orders for new Overhaul Manuals. Supplements ONLY will be priced separately.
