

## TECHNICAL DATA INDEX

***Subject: Technical Data revision status***

This is the current Manual Index for Mid-Continent Instruments and Avionics manufactured units including the Electric Gyro Corp. and General Design products. You may use this listing to validate the currency of your manuals from MCIA.

Drawing Packages for some items may also be listed. Each drawing package will consist of the unit Outline Drawing, Assembly Drawings, Assembly Parts list, and Test Specifications ONLY.

Some technical manuals may have Supplements which would be listed separately.

**NOTICE**

***Mid-Continent Instrument and Avionics strictly prohibits copying of any Manual, Drawing, or Specification***

\*Top level Outline Drawings are available on the Internet at [www.mcico.com](http://www.mcico.com) under the Technical Information tab or from AEA Resource One.
